

Honor retiring teachers and staff with a gift to support our schools

Honor a retiring teacher or other staff member with a lasting legacy by making a contribution to the La Crosse Public Education Foundation.

The retiree honored with **the greatest number of gifts** will have a classroom or staff development grant awarded in his/her name at LPEF's Grants Award Luncheon on Jan. 16, 2017.

For each gift of \$35 or more, a retiree receives a complimentary ticket (limit 4 each) to the luncheon.

Your gift will be recognized with a card sent to the retiree (gift amounts will not be disclosed).

Gifts support grants for innovative projects and student experiences, or assist individual students in need through the Random Acts of Kindness program.
