

LPEF Classroom Grants By School (2014-15, 2015-16 and 1st Round of 2016-17)

	<u>Recipient</u>	<u>Amount</u>	<u>Year</u>
<u>ALL ELEMENTARY SCHOOLS</u>			
La Crosse History Books - 2nd Grade curriculum - Cover printing costs for booklets written by local teachers on the history of La Crosse.	Sandy Brauer	\$ 2,492.10	2014-15 Round One
Uke for Youth - Support purchase of ukuleles to travel to all elementary schools for use in teaching fundamentals of string music.	Amanda Wolfgram & 8 others	\$ 1,227.00	2014-15 Round Two
Mission Possible with Mindstorms - buy 5 Lego Mindstorms kits to go with 15 owned by the District for use in challenging 5th-grade and middle-school students to learn science, computer science, technology, engineering and math skills.	Jodi Brueggeman	\$ 1,749.95	2015-16 Round Two
<u>ALL MIDDLE SCHOOLS</u>			
Gathering Fireflies - purchase 7 sets of the book "Gathering Fireflies," written by Mai Chao Duddeck, a District teacher and local Hmong artist and author. The book, about a 13-year-old Hmong-American boy coming of age with a confusing mix of cultural dilemmas, is used at all middle schools as part of the Hmong Culture unit.	Christina Fenton	\$ 3,856.00	2015-16 Round One
Reading in the Classroom - buy access to an internet-based program, Read Naturally Live, that uses visual and auditory prompts to help students develop reading skills and improve vocabulary. The program is tailored to each student's needs and will be used with middle school students with intellectual disabilities.	Diane Block	\$ 648.10	2015-16 Round Two
<u>MULTIPLE LEVELS OR DISTRICTWIDE</u>			
Musical Diplomacy through String Quartets - Support coaching of string quartets by Busya Lugovier.	Steve Michaels	\$ 2,000.00	2014-15 Round One
The Giving Project - Provide students of all ages an opportunity to explore and visually express their understanding and thoughts on giving.	Toni Asher, Pump House	\$ 950.00	2014-15 Round Two
Grow Our Own Teacher Diversity Program - match tuition scholarships for up to three School District of La Crosse employees returning to school to complete education degrees at UW-La Crosse. The innovative, collaborative program seeks to increase the number of teachers of color by focusing on teaching assistants and other employees of color already in schools.	Bethany Brent (UW-La Crosse Senior Multicultural Education Advisor)	\$ 1,800.00	2015-16 Round One
[art]ifact: where history meets art - join a community collaborative effort to support students producing original artwork inspired by historical artifacts selected from the collection of the La Crosse County Historical Society. Work will be exhibited at the Pump House Regional Arts Center in Spring 2016.	Ariel Beaujot (project director, assistant prof of history at UW-L)	\$ 1,200.00	2015-16 Round One
Black Youth Summit - Support a first-ever summit for African-American students in grades 6-10 aimed at building self-confidence and encouraging academic excellence and community service, all through a social justice lens.	Shaundel Spivey	\$ 2,000.00	2016-17 Wish List
Grow Our Own Teacher Diversity Program - second year of funding to match tuition scholarships for District employees returning to school at UW-La Crosse.	Bethany Brent (UW-La Crosse)	\$ 1,800.00	2016-17 Round One
<u>Health Science Academy</u>			
Pine Ridge Summer Camp - Purchase self-inflating mattress pads to be used by students during the Native American summer leadership camp at Pine Ridge.	Thomas Kammer	\$ 444.90	2014-15 Round Two
<u>Adolescent Center</u>			
Fidgets and Focus Tools -- provide students housed at the Western Regional Adolescent Center with some alternative seating, fidgets and focus tools to improve focus, which in turn strengthens learning.	Tamara McRoberts	\$ 251.82	2015-16 Round One
<u>Central High</u>			
Standing Desks - Purchase two standing desks as part of a pilot project to show benefits of allowing students freedom to move while studying.	Sara Brekke (student)	\$ 503.35	2014-15 Round One
Welding Complex Completion - Support purchase of Tungsten Inert Gas welding unit and equipment to modernize the welding complex at Central High.	Elijah Dannhoff (student)	\$ 3,850.00	2014-15 Round One
Acting Like a Pro - fund a workshop for Central and Logan theater students featuring movie and theater actress Elaine Bromka.	Dawn Martin	\$ 650.00	2015-16 Round One
Offsite Construction - Purchase a space heater for use by Central High students in the Construction Career Academy working on building a new home.	Nick Kalina	\$ 365.00	2016-17 Round One

Logan High			
Global Education Achievement Certificate - Support student travel and speakers for Logan and Central students seeking the Global Education Achievement Certificate.	Rhonda McGowan and John Havlicek	\$ 1,000.00	2014-15 Round One
Logan Ranger Unmanned Aerial Vehicle - Purchase materials for students in the Digital Electronics and Robotics class to design and build an unmanned aerial vehicle.	Steve Johnston	\$ 1,532.59	2014-15 Round One
Logan Ranger Autonomous Vehicle - purchase materials to be used by Logan High students to design and build a self-driving vehicle to drive autonomously from Trane Plant 4 on East Avenue to Trane Plant 7 on Losey Boulevard.	Steve Johnston	\$ 1,700.00	2015-16 Round One
Logan High Platform Risers - contribute toward purchase of new, transportable platform risers for use by Logan High School's Show Choir and at other District and community events.	Doreen Athnos	\$ 1,000.00	2015-16 Round One
Logan High Latte Stand - support start-up costs for a unique before-school coffee shop at Logan High, providing work experience for students in special education classes with proceeds going toward schoolwide incentives for positive student behavior.	Molly Sarles	\$ 1,000.00	2015-16 Round One
Collaborative Desks - purchase compact, shaped desks and chairs for a pilot program at Logan High, allowing for unique and multiple configurations to promote collaboration among groups of 3 to 10 students.	Matt De Koch	\$ 3,733.68	2015-16 Round One
Building Construction: Tiny House Program - purchase an Aluminum Brake for students in construction classes at Logan High to use in bending aluminum sheets for use as trim pieces for siding, roofing and windows.	Jacob Schumacher	\$ 1,350.00	2015-16 Round One
Logan High School Exo Arm - Students in the Digital Electronics and Robotics classes will design and fabricate a robotic "Exo Arm" to be used in metal grinding operations. The arm will mimic the function of the human arm in order to minimize repetitive work injuries. Students will work with community business partners in design and development.	Steve Johnston	\$ 1,750.00	2016-17 Round One
All American Boys - Purchase 225 copies of the book <i>All American Boys</i> , by Jason Reynolds and Brendan Kiely, for use in sophomore English classes at Logan High. The contemporary young adult novel, addressing issues of race in today's society, would be used as a complementary reading to the classic novel <i>To Kill a Mockingbird</i> . One of the authors, Jason Reynolds, will visit Logan in March.	Whitney Redman	\$ 1,922.00	2016-17 Round One
7 Rivers			
Mug Life Cafe - buy equipment for use by an entrepreneurial student creating a student-run coffee shop at 7 Rivers High School.	Trinity Isbell (student)	\$ 320.00	2015-16 Round Two
Animation: The Wave of the Future - buy animation software and equipment for students at two project-based schools. The software goes beyond the capability of free apps to challenge students	Penny Reedy and Angeli Engel (student)	\$ 1,299.78	2015-16 Round Two
Lincoln Middle			
Delectable Insects and Summer Fun - Purchase non-fiction, high interest books for summer literacy program at Lincoln and Logan middle schools.	Ruth Baardseth and Kellie Schmitz	\$ 500.00	2014-15 Round One
Real Men Read - Support materials to promote literacy among male students who struggle with reading.	Linda Watson	\$ 600.00	2014-15 Round One
Rachel's Challenge: Moving Toward Kindness, Compassion and Giving - Pay cost of visiting speaker/trainer to initiate a culture of compassion, based on the writings and philosophy of Rachel Scott, the first victim of the 1999 Columbine tragedy."	Rick Blasing	\$ 3,700.00	2014-15 Round One
S-fun with Spheros - purchase Sphero Sprk robotic ball kits to share among all three middle schools, allowing students to use iPads, along with math, science and engineering principles, to program the balls to perform tasks.	Linda Watson & Denise Kuethe-Strudthoff	\$ 2,500.00	2015-16 Round One
Standing Tables - purchase two standing desks for a pilot program to provide alternative seating for 8th-grade students at Lincoln Middle.	Mandi Hundt	\$ 580.00	2015-16 Round One
9th Street Connection Show Choir-Chicago - supports a trip to Chicago for the Lincoln Middle School Show Choir to compete.	Jennifer Gulsvig	\$ 1,000.00	2015-16 Round Two
Living Compassion: Real Life Stories - support a Fall 2016 assembly at Lincoln Middle School, with students from other middle schools invited, featuring local musicians and two local individuals sharing their own tragic life stories and their experiences with compassion, forgiveness and redemption.	Rick Blasing	\$ 1,600.00	2015-16 Round Two

Logan Middle			
Delectable Insects and Summer Fun - Purchase non-fiction, high interest books for summer literacy program at Lincoln and Logan middle schools.	Ruth Baardseth and Kellie Schmitz	\$ 500.00	2014-15 Round One
Logan's Engaged Eager Readers - Purchase books designed to help students who struggle with reading.	Kellie Schmitz, Dani Hartman, Jodi Slaats-	\$ 1,000.00	2014-15 Round One
Artist in Residence: Michael Colgrass - Support community visit by Michael Colgrass, a Pulitzer Prize winning composer who will work with high school and middle school students on improvisation and composition skills.	Alana Seddon	\$ 4,000.00	2014-15 Round One
Fidgets Begone! - Buy standing desks to allow students to move while studying.	Samantha Parkhurst	\$ 2,662.80	2014-15 Round Two
Real-World Series - Provide struggling students with materials to help them learn strategies and skills to become independent and self-determined adults.	Jay Pica (for Maria Ellis)	\$ 593.95	2014-15 Round Two
Global Reading - Provide reading materials to help students learn about global issues, including sustainability of water resources.	Dani Hartman, Schmitz, Gorell, Rumpel	\$ 1,800.00	2014-15 Round Two
Logan Middle Grand Piano -- support community fundraising to buy a grand piano for the auditorium at Logan Middle School, for use in Northside school and community performances.	Steve Michaels	\$ 2,000.00	2015-16 Round Two
Mirrors and Windows - support purchase of a variety of high quality, leveled books to help Logan Middle School students think critically about global topics and to 'reflect who we are and what we will become.'	Kellie Schmitz	\$ 1,950.00	2015-16 Round Two
Global Art Murals - purchase materials for use by students to create canvas murals to hang in the hallways at Logan Middle School, reflecting the rich diverse cultures represented by students and staff.	Sherrie Sikora	\$ 1,437.38	2015-16 Round Two
Breakout EDU - Purchase multiple sets of Breakout EDU kits, which challenge students to work through content-based problems in order to open a series of locks. Each puzzle or clue leads to subsequent challenges until the students work collaboratively to solve the puzzles and break into the box.	Cassandra Sturzl	\$ 534.00	2016-17 Round One
Get on the Ball with Cardio-Drumming - Purchase exercise balls, drumsticks to help students improve fitness and health, and inspire them to find joy in movement, so they will want to do it for a lifetime. The creative activity combines drumming to music with sticks on a yoga or exercise ball. The percussion, combined with aerobic movement and dance, enhances the whole body.	Lorrae Swartz, Chester Janke, Jessica Pfenning	\$ 754.10	2016-17 Round One
Longfellow Middle/LDI			
Zooming in on Science and Technology - Purchase microscopes and peripherals to attach to iPads, allowing environmental research in the field.	Maggie McHugh and Garrett Zimmerman	\$ 1,953.30	2014-15 Round One
Physics of Sensation II - purchase furniture and equipment to allow physical activity by students, allowing them to focus, listen and learn.	Jenny Leren and Karen Wilke	\$ 1,728.04	2014-15 Round Two
Creating an Experience with Green Screens - give students at all three middle schools the experience of traveling to foreign lands, exploring diverse cultures and even traveling in time through the purchase of green screen technology and body suits. Students will record video in settings where the background can be replaced with scenes from anywhere in the world.	Jeanne Halderson	\$ 993.95	2015-16 Round One
Animation: The Wave of the Future - buy animation software and equipment for students at two project-based schools. The software goes beyond the capability of free apps to challenge students	Penny Reedy and Angeli Engel (student)	\$ 1,299.78	2015-16 Round Two
Longfellow Garden Club - Purchase supplies for use by a Longfellow Middle School cook to start an informal Garden Club to help students learn about starting, planting and harvesting vegetables.	Lisa Hammond	\$ 335.00	2016-17 Round One
Emerson Elementary			
The Lux Blox Project - purchase three sets of Lux Blox, an innovative set of construction blocks that allow students to make structures that curve, bend and move; students at Spence and Emerson Elementary Schools will use the blocks to develop art, math, science and engineering skills addressed in state standards.	Ronnah Metz and Jean Brady	\$ 799.00	2015-16 Round Two
Making Math Meaningful - purchase materials to create hands-on math centers and activities for use in first-grade classrooms at Emerson Elementary, providing differentiated instruction to help each student achieve or exceed standards.	Allison Graumann	\$ 1,067.53	2015-16 Round Two
Traveling Salad Bar Garden - recycle an old salad bar by equipping it with grow lights and other equipment so it can be used as a traveling garden, producing a crop of herbs or vegetables to be used in school meals. The garden would start at Emerson Elementary, but could travel to one or two other schools each year.	Faye Kielley	\$ 442.95	2015-16 Round Two

Hamilton/SOTA I			
School Garden Project - Support garden projects at both State Road and Hamilton, helping students learn gardening skills and appreciation for fresh food.	Dave Gluch and Steve Michaels	\$ 3,180.00	2014-15 Round One
Community Field Trips - Fund field trips to community attractions, exposing students who might not otherwise access these places.	Steve Michaels	\$ 700.00	2014-15 Round Two
Monitoring Heart Rates - Purchase heart-rate monitors to help students learn how to measure target heart rate and recognize importance of heart-enhancing exercise.	Tyler Hamby	\$ 1,958.88	2014-15 Round Two
Community Farm Field Trip - Support field trips for students to engage in gardening activities and receive fresh produce to take home and eat with their families.	Katie Berkedal, GROW La Crosse	\$ 1,264.00	2014-15 Round Two
Science Boot Camp - allow 50 Hamilton/SOTA I 4th-grade and 5th-grade students to participate in a two-day science boot camp offered by Professor Kyle Backstrand and the science department at Viterbo University.	Michael Lawrence	\$ 500.00	2015-16 Round One
Intersession Behavior Interventions - contract with skilled behavioral interventionists (social workers, counselors, etc.) to work with students in small groups during Hamilton's intersessions on improving social skills and other behavior in an effort to reduce disruptions/referrals.	Steve Michaels	\$ 2,000.00	2015-16 Round Two
Buildingwide Mindfulness Implementation - buy materials and tools for use in Hamilton Elementary classrooms as staff implement 'mindfulness' strategies that provide concrete ways for children to get their bodies and brains ready to learn.	Barbara Wettstein	\$ 906.00	2015-16 Round Two
Focus Through Movement and Rhythm - purchase exercise equipment to provide active transitions between subjects, or "brain breaks," to increase focus by students at SOTA I (Hamilton), including students with learning disabilities and those learning the English language.	Teri Amann	\$ 305.00	2015-16 Round Two
Growing the School Gardens - provide additional support for a previous LPEF grant to continue school gardens and related programming at State Road and Hamilton Elementary Schools. The gardens provide fresh food and cultivate healthy eating habits by students.	Katie Berkedal, GROW La Crosse	\$ 1,000.00	2015-16 Round Two
Exploring Healing Aspects of Art - help students at Northside and Hamilton Elementary Schools build resilience through art by working Tyanna Buie, an African-American artist from Milwaukee who uses art as a means of therapy to understand the trauma of her childhood.	Amoreena Rathke	\$ 1,500.00	2015-16 Round Two
Midwest Music Fest - In conjunction with the Boys and Girls Clubs of La Crosse, and the Mid West Music Fest, elementary students would work with visiting hip-hop music artist Toki Wright to create original rap and hip-hop compositions to be performed at the music festival. Wright has done similar residencies throughout the United States, guiding younger students to develop improvisation skills. Wright will work with high school students through the Boys & Girls Clubs.	Steve Michaels	\$ 2,000.00	2016-17 Round One
Cassie Stephens Artist in Residence - Support expenses for an artist-in-residence visit by Cassie Stephens, an art educator who is nationally recognized for efforts to integrate art-related activities and content into the everyday classroom. Part of her visit would include in-service activities with SOTA I teachers, and part would involve working with students.	Steve Michaels and Bethany Nugent	\$ 1,000.00	2016-17 Round One
Hintgen			
Learning By Choice - Provide alternative seating to help students focus for extended periods.	Stephaine Baker	\$ 905.22	2014-15 Round Two
Sensory Tools for Schools - Purchase tools and materials for work with students with special sensory needs.	Barbara Oettel and Jennifer Thill	\$ 1,000.00	2014-15 Round One
SMART Curriculum - Provide training to teachers at Hintgen and Southern Bluffs to promote learning readiness and academic success for kindergarten students.	Barbara Oettel, PaHoua Vang, Melissa Breuer, Laurie Kartman	\$ 1,969.48	2014-15 Round One
SMART for Teacher - Support training additional Hintgen and Southern Bluffs Elementary School teachers to promote learning readiness for pre-K and kindergarten students.	Barbara Oettel et al	\$ 900.00	2015-16 Round Two
STEM Education - Purchase a variety of tools and supplies for use in three kindergarten classrooms, helping students explore science, technology, engineering and mathematical skills.	Shanon Bills, Christine Rox, Karen Landstrom	\$ 525.00	2016-17 Round One

North Woods International			
Osmo Learning System - Purchase kits to engage students in problem-solving exercises using iPads.	Nicole Ellefson-Johnson	\$ 1,039.87	2014-15 Round Two
I'm a Reading Rockstar! - Purchase recordable microphones allowing students to record, listen to and play back their independent reading, writing and math facts.	Summer Elston	\$ 522.36	2014-15 Round Two
Social Emotional Learning for Tough Kid - Purchase Tough Kid and SuperHeroes social skills materials for use by students receiving Emotional Behavioral Disability services.	Heather Stern	\$ 1,274.00	2014-15 Round Two
School Tower Gardens - purchase three verticle aeroponic gardens for use in 3rd-grade curriculum at North Woods, allowing for year-round growing of organic produce and encouraging healthy eating habits.	Nancy Hanson	\$ 1,690.00	2015-16 Round One
Focus through Fidgets - purchase a dozen Kore Stools for use in a pilot program for first-graders at North Woods, allowing students to move while being active listeners and not distracting other students.	Jocelyn Buxton	\$ 960.00	2015-16 Round One
Games Galore - replace, update and supplement a set of board games originally purchased with an LPEF grant in 2009 for use in an after-school club run by community volunteers at North Woods International School. The club helps students develop higher level thinking and social skills.	Amanda Wolfgram	\$ 253.03	2015-16 Round Two
Junk and the Possibilities: What Can it Become? - Collaborative project between Summit Environmental and North Woods International elementary schools, which share a global and environmental view of the world. Students will work with a visiting artist, staff members, family and community representatives to understand the impact of trash on our environment, and how to transform discarded objects into art.	Carissa Brudos and Maria Mason	\$ 2,050.00	2016-17 Round One
Northside			
Primary Care Triple P - offer a school-based Positive Parenting Program provided by experts at Gundersen Health System, offering one-to-one assistance to 20 Northside families, helping parents learn to manage child behavioral issues and skill development challenges.	Heather Gartner & Melani Fay	\$ 2,500.00	2015-16 Round One
Deep Roots Farm Field Trip - support a Northside kindergarten field trip in May 2016 to Deep Roots Farm, where students can learn about farm animals and local food sources.	Lisa Hilker	\$ 390.00	2015-16 Round One
Exploring Healing Aspects of Art - help students at Northside and Hamilton Elementary Schools build resilience through art by working Tyanna Buie, an African-American artist from Milwaukee who uses art as a means of therapy to understand the trauma of her childhood.	Amoreena Rathke	\$ 1,500.00	2015-16 Round Two
Southern Bluffs			
Wiggle Seats/Fidgets - Purchase alternative seating to help students focus for extended periods.	Leah Aubert, Marcia Gardner, Janet Koll	\$ 1,200.00	2014-15 Round One
SMART Curriculum - Provide training to teachers at Hintgen and Southern Bluffs to promote learning readiness and academic success for kindergarten students.	Barbara Oettel, PaHoua Vang, Melissa Breuer, Laurie Kartman	\$ 1,969.48	2014-15 Round One
Folk Dance Residency - Provide funding for artist-in-residence to help students learn traditional dances.	Jill Schams	\$ 1,005.00	2014-15 Round Two
Bluffs Brigade - support presentations by educator and author Katy McKy during a March 2016 event to celebrate and teach expectations for positive student behavior at Southern Bluffs.	Derek Fuglsang	\$ 900.00	2015-16 Round One
Fancy Schmancy Girls Book Club - purchase sets of "Fancy Nancy" books for use by a counseling group for girls in 1st- through 3rd-Grades at Southern Bluffs, promoting confidence, self-awareness, friendship and communication skills.	Becky Lueck	\$ 265.92	2015-16 Round One
SMART for Teacher - Support training additional Hintgen and Southern Bluffs Elementary School teachers to promote learning readiness for pre-K and kindergarten students.	Barbara Oettel et al	\$ 900.00	2015-16 Round Two
ACT Parenting Classes - support training two Southern Bluffs educators in the ACT/Parents Raising Safe Kids Program, so they in turn can provide parenting programs for families at Southern Bluffs.	Becky Lueck	\$ 400.00	2015-16 Round Two

Spence			
Spence Cooking Club - Purchase food and paper products for use by Cooking Club for 4th-graders and 5th-graders.	Katie Gudgeon	\$ 500.00	2014-15 Round One
The Lux Blox Project - purchase three sets of Lux Blox, an innovative set of construction blocks that allow students to make structures that curve, bend and move; students at Spence and Emerson Elementary Schools will use the blocks to develop art, math, science and engineering skills addressed in state standards.	Ronnah Metz and Jean Brady	\$ 799.00	2015-16 Round Two
Parents Raising Resilient Children - Provide training for more than 20 elementary teachers who in turn will teach courses to parents of pre-schoolers on how to better respond to children's behaviors, including self-regulation skills, how electronics impact child development, discipline and parenting styles, and overcoming barriers and changes.	Michelle L. Powell and Jocelyn Buxton	\$ 2,500.00	2016-17 Round One
Teaching Social Skills Through Read Alouds - Purchase a set of books by author Julia Cook, focusing on developing a variety of social skills and helping children better understand how their actions impact themselves and others.	Jocelyn Buxton	\$ 307.78	2016-17 Round One
Spence School Garden - Purchase supplies for GROW La Crosse to use in developing a school garden at Spence, including recipe demonstrations and garden-themed lessons, such as seed starting and pollination.	Katie Berkedal, GROW La Crosse	\$ 600.00	2016-17 Round One
Spence Outdoor Classroom - Provide major start-up funding to develop an outdoor classroom and garden space at Spence Elementary. The goal is to create a calming and peaceful outdoor education space for curriculum-connected lessons, while instilling a love and curiosity of nature in Spence students. Funds will cover installation of a crushed limestone pathway, providing equal access to students and individuals with disabilities, plus custom-built round tables.	Shelley Shirel, Alyssa Gray, Becky Veenstra and Jenny Woolley	\$ 4,400.00	2016-17 Round One
State Road			
School Garden Project - Support garden projects at both State Road and Hamilton, helping students learn gardening skills and appreciation for fresh food.	Dave Gluch and Steve Michaels	\$ 3,180.00	2014-15 Round One
The Walking Classroom - provide a matching grant to purchase podcast players with access to more than 100 health and fitness lessons for 5th-grade students at State Road, enabling them to 'walk, listen and learn.'	Carrie Quick & Jean Ruprecht	\$ 1,300.00	2015-16 Round One
Growing the School Gardens - provide additional support for a previous LPEF grant to continue school gardens and related programming at State Road and Hamilton Elementary Schools. The gardens provide fresh food and cultivate healthy eating habits by students.	Katie Berkedal, GROW La Crosse	\$ 1,000.00	2015-16 Round Two
Hands on Learning - Purchase materials for one kindergarten classroom to provide students with hands-on learning experiences, particularly to enhance the students' sense of numbers and the ability to use them on a daily basis.	Teresa Fox	\$ 200.00	2016-17 Round One

Summit Environmental School			
Summit Sand Sculpture - Support artist-in-residence to produce a large sand sculpture as part of the outdoor education experience for 5th-graders.	Carissa Brudos	\$ 500.00	2014-15 Round Two
GoPro Summit Recording Outdoor Adventures - provide GoPro pocket-sized video cameras and accessories to allow students at Summit Environmental School to document educational and environmental experiences, including daily nature walks, field trips and other activities.	Nick O'Keefe & Lisa Boyer	\$ 1,032.00	2015-16 Round One
The Orchestra Sings - transportation for Summit Elementary 5th-graders to participate in concert May 12 with Madison Symphony Orchestra.	Danielle Fields	\$ 450.00	2015-16 Round Two
Learning Through Music - contract with a music therapist to teach functional and behavioral concepts through the use of music, working with Summit Elementary students with intellectual disabilities. Summit will be the first regional school to test this concept being integrated in schools elsewhere in Wisconsin.	Resa Hawes	\$ 2,100.00	2015-16 Round Two
Reaching and Teaching Children Who Hurt - purchase books by an author expected to present a workshop at the Aug. 30 Rebuilding for Learning Summit, helping a group of elementary teachers who will attend be better prepared to learn and develop strategies for children who suffer from trauma, mental illness, abuse, neglect, etc.	Tracy Taylor-Johnson	\$ 1,185.00	2015-16 Round Two
Reader's Theater and Fun Props - Help Hmong students and other English Language Learners improve vocabulary, grammar and fluency through the use of Reader's Theater scripts and props. The scripts make reading fun by allowing students to play the role of a character, with content based on math, social studies and science skills.	Mary Her Zong	\$ 1,728.00	2016-17 Round One
Interactive White Board - Support purchase and installation of a projector to be used in daily instruction to meet the special needs of Summit students with vision impairments and sensory needs.	Kasey Pomeroy	\$ 2,600.00	2016-17 Round One
Trauma Sensitive Schools Workshop - Provide training for 60 or more teachers in tools to identify key indicators (physiological, developmental, behavioral, and academic) of traumatic stress in children. With the help of a nationally recognized expert in working with students affected by trauma, mental health issues and behavioral challenges, teachers will techniques to creative positive relationships with children impacted by adverse childhood experiences.	Tracy Taylor-Johnson	\$ 3,050.00	2016-17 Round One
Junk and the Possibilities: What Can it Become? - Collaborative project between Summit Environmental and North Woods International elementary schools, which share a global and environmental view of the world. Students will work with a visiting artist, staff members, family and community representatives to understand the impact of trash on our environment, and how to transform discarded objects into art.	Carissa Brudos and Maria Mason	\$ 2,050.00	2016-17 Round One
