

Give a gift in honor of your child's teacher – and let them know they have inspired your child and other students in countless ways.

We are a community that cares about education ... and educators! Thank your child's teacher by making a contribution to the La Crosse Public Education Foundation. Your gift supports grants for innovative projects and student experiences that could never happen within the district's tight budget. Contributions also support Random Acts of Kindness, helping students in poverty overcome roadblocks to achievement.

Learn more about the impact of your gift: www.lacrosseeducationfoundation.org. Phone: 787-0226
